An elegant bouquet of white florals, whole nectarine, almond meal and flint.

A complex Chardonnay expressing white florals and stone fruit aromatic laced over oak spice and flint. The palate lingers with citrus and cream notes intertwined with sandalwood and spice.

VINEYARD REGION

Yarra Valley, Margaret River

VINTAGE CONDITIONS

The Yarra Valley saw a dry and mild season. Cool temperatures in lead-up to vintage with a burst of warm weather emerging in March, resulting in earlier picking amongst the vines. The growing season in Margaret River got off to a strong start with adequate water resources available due to slightly above average winter rainfall.

Below average temperatures throughout summer resulted in a later start than recent years, as a result the fruit and resultant wines have concentrated fresh flavours and bright acidity.
