

HARDYS

In 1853 Australia, against a backdrop of global uncertainty Thomas Hardy set out to make wines 'revered around the world'. In today's uncertain world Hardys continues to provide consumers certainty in their wine choice each and every time.

With over 9,000 global awards, a band of ambassadors around the globe, every bottle is a mark of...Certainty in an Uncertain World.

2020 Hardys HRB Riesling

HARDYS HRB

History shows that Thomas Hardy first blended grapes from multiple regions in 1865. Hardy believed that blending grapes with different characteristics would complement and enhance the qualities of each region, so began Hardy's rich blending heritage.
